We are proud to offer you our latest catalog publication, #6013, which reinforces our company's strong commitment to provide you with the most comprehensive line of metric industrial products in the United States. As you can see, Catalog 6013 is much larger than its #5012 predecessor, and contains more than 50,000 different items, divided into sub-sections for quick and easy use.

The changes in our catalog's format and content are a direct reflection of your input and feedback. We value your suggestions, since we know that many of your thoughts are likely to be shared by other customers as well. Please contact us if you are having difficulty locating items, or if there is any other way we can be of better service to you.

Since publishing our previous catalog, we are pleased to announce two new and exciting developments at MMCC:

- To help MMCC increase our market presence on the West Coast, we recently opened our latest, full-stocking branch in Reno/Sparks, NV.
- To solidify our commitment to provide you with the best possible products and service, we have completed our ISO 9002 Quality Certification.

Thank you again for all of your past and future orders with our company. At MMCC, we see a bright future ahead of us, and we hope to continue to serve you for many years to come.
